

From Daily News, 3rd 6 April, 1938.

Buenos Aires. Saturday.

Four generations of South African Boers, headed by 86 year old Petrus Hendrik Kruger are sailing tomorrow for South Africa aboard the Arabia Maru.

They took refuge here after the South African War and are being repatriated with 40 other Boers from Chubut, which is also in the Argentine.

Kruger is distantly related to "Oom Paul."
